#### **Lead Project Manager – (overall plan and inside) - Brandon McLean**

Will lead and oversee the entire BFL process. His **primary** ministry focus will be BFL during an ongoing project. He will stay in close contact with any assigned leader under the BFL umbrella. He will understand the heart of the Elder Team. He will guide and direct the BFL Leadership Team. He will attend committee meeting as he is able. He will come up with the overall plan and make sure each area of this ministry is cared for.

#### **Project Manager – (civil engineering and outside) - Bill McClure (the elder)**

Will lead in the area of anything related to civil engineering and outside work. He will make sure the general contractor and civil engineers adhere to the plan and advance us toward our goals. He will ensure that Gateway is represented at local and state meetings necessary to keep forward movement. He will make sure that we follow the procedures and guidelines as set forth by the governing authorities.

### **Blueprints For Life Support Team:**

#### **Project Administrative Assistants – Lisa Mohler & Karen Hemlock**

Will assist the members of the executive team in carrying out their tasks. Will take notes and make sure communications and ministries are ready to go as the plan unfolds.

#### **Shepherding Coordinator – Brian Rader & Jeff Martin**

Will lead the spiritual care for the Gateway leadership team, the BFL team and the congregation throughout this campaign and ministry of construction. He will under-gird this process through prayer and lead the Gateway family in prayer initiatives. He will serve to protect the unity, the goals and the purpose of this effort.

#### **Public Relations/Marketing Coordinator – Brandon McLean & Jon Damon**

Will lead the public relations and marketing effort as it relates to Building For Life. He will make sure the congregation is aware of progress in BFL. He will design attractive tools for bulletin, newsletter, e-view and web page to communication reports, needs, finances and prayer needs.

#### **Financial Coordinator – Brian Lyman**

Will lead the financial information and reporting as it relates to BFL. He will represent Gateway along with the executive pastor during the process of seeking out financial institution(s) to partner with. He will also serve with the executive pastor as the primary liaison between Gateway and the lending institution in seeking any necessary loan.

**Grant Writing – Dave Knapp**

Will lead by seeking out any potential grant offered by institutions. He will start with local foundations and branch out as the opportunities present themselves.

**Ministry of Construction Coordinator – Gary Mohler & Frank and Lori Witman**

Will lead the teams made up by Gateway Church to minister to the construction workers who will be working on our campus during the building process. This should include, but not limited to: prayer walking, scripture writing and providing water and sometimes food to the workers. Encouragement and the love of Christ should be the primary goal.

**Children and Youth Team – Sandi McClure & TJ Erlandson**

Will work under the direction of Lead Project Manager. This team will keep the children and students informed and engaged in the ministry of construction and stewardship. They will seek creative ways to keep the students attached to the project and ways to serve during the ministry of construction phase.

**Sound/Light/Media Technology Team – Jon Pacella & Brian Rader**
